

## From the Headmistress

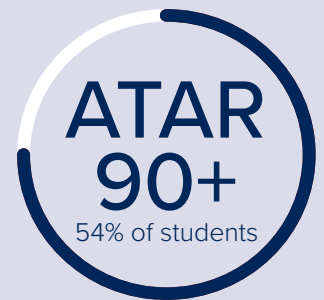

What a happy ending it is to our Year 12's tumultuous HSC year. They had to find great resolve to keep focused and strong during anxious, uncertain times – and they did!

St Catherine's students came first in the state in both Advanced and Standard English, an extraordinary achievement that epitomises the cohort's unwavering determination to do their very best. Their median ATAR of 90.65 reflects the depth of that motivation and application.

Thank you, girls, for getting through a difficult year with strong spirits and good natures. And thank you to everyone who contributed to ensuring they achieved their very best. In particular, I am incredibly grateful to our teachers and support staff who pushed aside their own fears in this pandemic year to give our girls the best possible education and support.

We wish our Year 12 2021 a happy and successful 2022 as they embark on the next stage of their lives.

Dr Julie Townsend
