

From the Headmistress

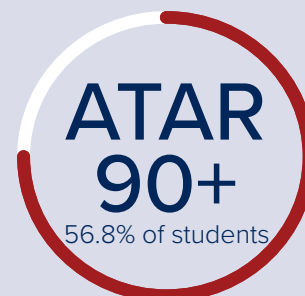

Congratulations, girls – we are so incredibly happy for you and proud of your results.

There are some fabulous individual achievements, from All Rounders to Top Achievers, which you can read about in this flyer. But what is most important to us is that the results reflect our students' best efforts. And our median ATAR of 91.5 underscores those efforts, reflecting our girls' determination to study what they enjoy, work hard and achieve their best.

These results also reflect the selfless dedication of our staff, who go well beyond their role descriptions to do their very best for each student in their care. I am so grateful for all they do. And I am grateful to our families for their support and engagement with us over the years. Education is a team effort, and we are a great team.

I wish you all a Happy Christmas and New Year. Job well done – time for celebrations and a well-earned break!

Dr Julie Townsend
